## SURE-SPRED HV

ORGANOSILICONE SURFACTANT

**PRINCIPAL FUNCTIONING AGENTS**  
A blend of polydimethylsiloxane and non-ionic surfactants..... 99.0%  
Inert.....  
ingredients.....1.0%

All ingredients are exempt from tolerance levels in CFR 40, 180,1001.

### GENERAL INFORMATION

SURE-SPRED HV is a high quality blend of non-ionic and organosilicone surfactants. It is designed especially for use in high volume applications of herbicides, desiccants and defoliation sprays. SURE-SPRED HV will enhance the spreading and penetration of sprays when properly applied.

Manufactured for  
MILITELLO FARM SUPPLY, INC. □  
2929 Route 39, Forestville, NY 14062  
"Your Farm Supply Headquarters"

### DIRECTIONS FOR USE:

To prevent foam, the addition of an anti-foaming agent is suggested before SURE-SPRED HV is added to the spray water. Do not add any other surfactants to SURE-SPRED HV. Spray thoroughly, avoiding excess runoff of the spray solution.

Ground Application: Use 4 to 6 ounces per 100 gals. of spray solution.

Aerial application: Use 1 to 4 qts. per 100 gals. of spray solution. Note: The above rates are considered to be adequate for most uses. Some herbicides may require higher rates for optimum uses. Follow the herbicide label directions when this occurs. However, do not add this product at a rate that exceeds 5% of the finished spray volume.

### STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Follow proper procedures for the disposal of spray solutions. Rinse and dispose of empty containers according to approved local practices.

### PRECAUTIONARY STATEMENTS

**WARNING: KEEP OUT OF REACH OF CHILDREN**

Hazardous to humans and domestic animals. Corrosive. Causes eye damage and skin irritation. Do not get in eyes, on skin or on clothing. Wear goggles or face shield when handling. Harmful if swallowed.

**FIRST AID:** If this product gets into the eyes, wash the eyes with large amounts of water for at least fifteen minutes. Seek immediate medical treatment. If this product gets on the skin, immediately wash the contaminated area. Seek medical attention if skin irritation persists. If this product has been swallowed and the person is conscious, immediately give large volumes of water. Do not induce vomiting. Seek immediate medical treatment.

### CONDITIONS OF SALE

Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use. Weather, crop conditions, timing and methods of applications, mixture with other chemicals not specifically recommended and other influencing factors in the use of this product are beyond the control of the seller. Buyer assumes all risks of use, storage, or handling of this material not in strict accordance with directions given herewith.
