

Valcheck[®] COC

Crop Oil Concentrate

Principal Functioning Agents:

Mineral Oil.....	83.0%
Secondary Alcohol Ethoxylate	<u>17.0%</u>
Total	100.0%

All ingredients in this product are exempt from the requirements of a tolerance as specified under Title 40, Code of Federal Regulations 180.

KEEP OUT OF REACH OF CHILDREN

WARNING

PRECAUTIONARY STATEMENTS

WARNING: Causes eye and skin irritation. Causes mild skin irritation. May be harmful if swallowed or inhaled. Wash hands, face, and other affected areas thoroughly after handling. Do not eat, drink, or smoke while using this product. If eye or skin irritation occurs, seek medical attention.

PERSONAL PROTECTIVE EQUIPMENT (PPE): Wear protective gloves, protective clothing, and eye and/or face protection.

FIRST AID

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do so. Continue rinsing. If eye irritation persists, get medical attention.

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have the person rinse mouth and sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF ON SKIN OR CLOTHING: Immediately take off contaminated clothing and wash before reuse. Rinse skin immediately with plenty of water for 15 to 20 minutes. If skin irritation occurs seek medical advice / attention. Call a poison control center or doctor for treatment advice.

IF INHALED: Remove person to fresh air and keep comfortable for breathing. Call a poison control center if you feel unwell. If person is not breathing, Call 911 and give artificial respiration.

In case of medical emergency, call toll free 1-877-424-7452.

STORAGE AND DISPOSAL INFORMATION

STORAGE: Store product locked up in original container away from pesticides, fertilizers, and food or feed, and keep container tightly closed when not in use. Take care to prevent water from being introduced to the contents of this container. Keep away from sparks, flame, static electricity or other ignition sources. **Shake well before use. PROTECT FROM FREEZING.**

DISPOSAL: Do not contaminate water, food, or feed by storage or disposal. Empty container may contain explosive vapors or hazardous residues. Triple rinse container and pour rinsate into spray tank. Do not reuse container. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit www.acrecycle.org. Dispose of contents/container in accordance with local/national regulations.

GENERAL INFORMATION

Valcheck COC is a non-ionic blend of highly refined paraffinic crop oil and surfactant designed to optimize the performance of certain herbicides in post emergence applications. The addition of this product to the spray tank utilizes the penetrating, non-evaporating properties of a paraffinic crop oil and the wetting and dispersing characteristics of a surfactant blend. When used as directed, Valcheck COC increases the activity of herbicides by aiding in the deposition, absorption and retention of active ingredients on leaf and stem surfaces. Therefore, care must be in treating crops during periods when plants are subjected to drought stress, high temperatures, and high humidity. **NOT FOR AQUATIC USE IN CALIFORNIA OR WASHINGTON STATE.**

ENVIRONMENTAL HAZARDS: Do not apply directly to water, or to areas where surface water is present, or to intertidal areas below the mean high-water mark. Do not contaminate water when cleaning equipment or disposing of equipment wash waters.

DIRECTIONS FOR USE

REFER TO HERBICIDE LABEL FOR SPECIFIC CROP USE AND APPLICATION RATES. Prior to use, read and follow all directions on this label and on the label of the pesticide being used. The herbicide manufacturer's label for specific usages and restrictions have precedence over DIRECTIONS FOR USE referred to on this label.

Generally, use 1-4 quarts in 15-50 gallons of water. Do not exceed 2.5% volume of spray solution. For best mixing results, fill the spray tank half full, add herbicide components, and add Valcheck COC last, and provide good agitation until tank is full.

NOTICE OF WARRANTY:

Seller warrants that this product conforms to the chemical description on the label thereof and is reasonably fit for purposes stated on such label only when used in accordance with the directions under normal use conditions. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of the Seller. IN NO CASE SHALL SELLER BE LIABLE FOR CONSEQUENTIAL, SPECIAL, OR INDIRECT DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT. ALL SUCH RISKS SHALL BE ASSUMED BY THE BUYER. SELLER MAKES NO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE NOR ANY OTHER EXPRESS OR IMPLIED WARRANTY EXCEPT AS STATED ABOVE.
